

# Professional Services

I am immensely pleased to have the opportunity to present you with a proposal that will transform and enhance your digital presence. I deeply recognize the importance of standing out in the online space, and my mission is to ensure that your platform is not only effective and operational but also embodies the spirit and dedication of your brand. My methodology is grounded in a deep understanding of your goals and aspirations, committing to turning those ideas into a tangible reality that not only meets but exceeds your expectations, all while maintaining a value-for-money relationship that ensures the maximum return on your investment.

We will work together at every stage of the project, offering constant support and ensuring that every technical and creative decision aligns with your vision and goals. My aim is to create a collaborative space where you feel involved and in control, while I take care of translating your needs into effective and lasting solutions. I encourage you to verify the excellence and dedication that characterize my work by visiting my digital portfolio, where my commitment to superior quality and complete client satisfaction is evident in every undertaking. I am at your full disposal to resolve any questions or provide additional details at your earliest convenience.

I extend a warm invitation to review my portfolio at [[www.myportfolio.com](http://www.myportfolio.com)] to directly appreciate the quality and passion that define my work.

## Web Proposal for Not-for-Profit Organization

### Includes:

- Storytelling style website design and development.
- .ORG domain (www.yourorganization.org) included at no additional cost for the first year when contracting our services.
- HTTPS security protocol.
- Interactive development and design based on the organization's narrative.
- Dynamic sections to display projects with a multimedia gallery.
- Integration with donation systems and fundraising.
- Live chat for inquiries and support.
- Scroll-to-top button.
- Interactive contact form.
- Site hosting on secure and reliable web hosting.
- Informative sections about the organization, projects, events, and contact details.
- 3 subdomains to highlight specific campaigns.
- 5 corporate email accounts.

## Key Data

### Investment:

- Total development cost: \$2,000.
- Hosting cost: An annual payment of \$240 or 12 monthly payments of \$20.

### Notas importantes:

- The domain is renewed annually; the first year is free.
- A 50% advance payment is required to start development.
- The website will be delivered with basic accessibility and responsive design.
- Future updates or changes will be budgeted separately, subject to cost negotiation.

### Delivery and Payment Terms:

- To start, 50% of the total amount must be deposited into a specified bank account.
- Once development is completed and upon review by the organization, the remaining 50% will be paid.
- The final delivery of the website will be a fully functional and accessible site on the web from both mobile and desktop devices.

## Acceptance and Payment Methods
